

BID PROPOSAL

PROJECT: Mojave Splash Pad Reconstruction
LOCATION: 18000 Yates Rd., Victorville, CA
OWNER: San Bernardino County
BID OPENING: April 16, 2026 at 2:00 pm
BIDDER: KNC CONSTRUCTION INC

San Bernardino County
Project and Facilities Management Department – Project Management
620 South E Street
San Bernardino, CA 92415-0184
<https://pfm.sbcounty.gov/>

In compliance with your invitation for bids, the undersigned has carefully examined the project Bid Documents, including the drawings and specifications, for the scope of work which is to demolish the existing splash pad and picnic shelter, remodel the existing restroom and shower facility, construct a new parking lot and path of travel compliant with all state and federal accessibility laws, rules, and regulations including the California Accessibility Code and the Americans with Disabilities Act, construct a new splash pad including all water features, piping, equipment, utilities, and equipment enclosure, and upgrade the existing main electric distribution panel in Victorville, California, and fully understands the scope and meaning of the Bid Documents.

The undersigned hereby agrees to furnish all materials, labor, tools, equipment, apparatus, facilities, and transportation necessary to complete all work in strict conformity with the drawings and specifications, and to execute the contract to the satisfaction of the Project and Facilities Management Department – Project Management, at the following cost(s):

In case of discrepancy between the written bid set forth and the numerical bid set forth, the written bid shall prevail. In the case of a discrepancy between the written bid or numerical bid set forth on the bid proposal, and the numerical bid set forth in the ePro system, the information on the bid proposal shall prevail.

The following Bid Items are listed in order of priority.

The above-mentioned BASE BID and ADDITIVE ALTERNATES NO. 1, NO. 2, AND NO. 3 include applicable California state sales tax, bonds, insurance and all other costs required to perform all the work described in the project drawings and specifications.

For each additive alternate, bidder is required to provide a price. Failure to price an alternate will render the bid non-responsive. If the price of an alternate is \$0.00, then bidder must enter \$0.00. A response indicating "N/A" or similar response will be considered non-responsive. The County shall determine the low bid pursuant to Public Contract Code Section 20103.8:

(a) The lowest bid shall be the lowest bid price on the base contract without consideration of the prices on the additive or deductive items.

A responsible bidder who submitted the lowest bid as determined by this section shall be awarded the contract, if it is awarded. This section does not preclude the County from adding to or deducting from the contract any of the additive or deductive items after the lowest responsible bidder has been determined.

BID DEPOSIT (BID BOND)

There is enclosed herewith, a certified check or surety bond in the amount of ten percent (10%) of the BASE BID, or, more specifically, BID BOND Dollars (\$ 10 %), made payable to San Bernardino County. The undersigned agrees that in the event of the failure by the undersigned to execute the necessary contract and furnish the required contract bonds and insurance, the certified check or surety bond and the money payable thereon shall be, and remain, the property of San Bernardino County. If the bid is accompanied by a certified or cashier's check, the check shall be deposited by the Project and Facilities Management Department – Project Management, and a County warrant for the full amount shall be issued to the undersigned approximately one month after Contract Award.

If the bid is submitted through San Bernardino County Electronic Procurement Network (ePro) then scan the bid security (bid bond) and submit the scanned copy with your bid submittal in ePro, additionally, mail or submit the original bid security, in a separate sealed envelope labeled "Bid Bond" with the title of the work and the name of the bidder clearly marked on the outside, to: Project and Facilities Management Department – Project Management, 620 South E Street, San Bernardino, CA 92415-0184. **Any mailed or submitted bid security must be received on or before the time set for the opening of the bids.**

TIME OF COMPLETION

The undersigned agrees to complete the work within 240 calendar days from the date stipulated in the Notice to Proceed.

OR

subcontractor of the undersigned in accordance with Section 11.2 of the General Conditions. **The undersigned agrees to provide the Project and Facilities Management Department – Project Management with Certificates of Insurance evidencing the required insurance coverage at the time Contractor executes the contract with the County.** All policies (excluding Workers' Compensation) shall name San Bernardino County and its officers, employees, agents and volunteers as additional insureds. All coverages shall be subject to approval by the County for adequacy of protection.

BONDS

If this Bid is successful, the undersigned agrees to execute the required Standard Contract and will furnish a payment bond in an amount equal to one hundred percent (100%) of the contract price and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the contract price. These bonds shall be secured from a surety company or companies satisfactory to the County within ten (10) calendar days of the contract award and shall be on County approved bond forms. Bonds shall remain in full force and effect for a period of one year following the date of filing of Notice of Completion.

FORMER COUNTY OFFICIALS

Contractor agrees to provide or has already provided information on former San Bernardino County administrative officials (as defined below) who are employed by or represent Contractor. The information provided includes a list of former county administrative officials who terminated county employment within the last five years and who are now officers, principals, partners, associates or members of the business. The information also includes the employment with or representation of contractor. For purposes of this provision, "county administrative official" is defined as a member of the Board of Supervisors or such officer's staff, Chief Executive Officer or member of such officer's staff, county department or group head, assistant department or group head, or any employee in the Exempt Group, Management Unit or Safety Management Unit.

INACCURACIES OR MISREPRESENTATIONS

If during the course of the bid proposal process or in the administration of a resulting Contract, the County determines that the contractor has made a material misstatement or misrepresentation or that materially inaccurate information has been provided to the County, the contractor may be terminated from the bid proposal process, or in the event a Contract has been awarded, the Contract may be immediately terminated. If a Contract is terminated according to this provision, the County is entitled to pursue any available legal remedies.

VISITING THE SITES

The undersigned has visited the site, and is familiar with the local conditions of the work site.

Upon request by CARB, Contractor must immediately disclose to CARB the name and contact information of each responsible party for all vehicles subject to the Regulation operating at the job site or for Contractor. If applicable, Contractor shall prominently display signage for any project where vehicles subject to the Regulation as provided and within the time period contained in the Regulation.

Situations in which prime contractors or public works awarding bodies, as applicable, are contracting for projects that are considered emergency operations, as defined in section 2449(c)(18), are exempt from the requirements in section 2449(i)(1)-(3), but must still retain records verifying vehicles subject to the regulation that are operating on the emergency operations project are actually being operated on the project for emergency operations only. These records must include a description of the emergency, the address or a description of the specific location of the emergency, the dates on which the emergency operations were performed, and an attestation by the fleet that the vehicles are operated on the project for emergency operations only.

Contractor shall complete and return the "California Air Resources Board (CARB) In-Use Off-Road Diesel-Fueled Fleets Certification of Compliance" form attached hereto as a condition to bidding this Project.

DESIGNATION OF SUBCONTRACTORS

In compliance with the provisions of Sections 4100-4108 of the Public Contract Code of the State of California, and any amendments thereof, the undersigned shall set forth below the name, location of the place of business and the California contractor license number of each subcontractor who will perform work (meaning the total amount of the subcontractor's contract amount including all labor, materials, supplies and services) in excess of one-half of one percent (1/2 of 1%) of the total bid; and, the general category or the portion of the work to be performed by each subcontractor.

If the undersigned fails to specify a subcontractor(s) for any work to be performed under the Contract, the undersigned agrees to perform the work and shall not be permitted to subcontract that work except in cases of public emergency, and then only after written finding as public record by the Board of Supervisors. In order for the undersigned to perform the work in any of the following trades, the undersigned must possess the State specialty license for that trade: Electrical (C-10); and Plumbing (C-36).

The undersigned certifies that all subcontractor(s) listed below are currently the holder of valid contractor's license(s) in the State of California and the license(s) is the correct class of license for the work to be performed by the subcontractor(s).

The undersigned certifies that it and all subcontractor(s) listed below have registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 (applicable

Bidder must acknowledge all addendums above, regardless of any acknowledgement of addendums in ePro.

AFFIDAVIT

The undersigned has submitted with the bid proposal a non-collusion declaration, signed under penalty of perjury, for the principal contractor. The undersigned agrees to furnish the County non-collusion declarations for subcontractors signed under penalty of perjury, and states that this is a genuine proposal and is neither collusive nor made in the interest of any other person, and has not induced anyone to submit a sham bid or refrain from bidding.

Print Name: MALIA CAMINITI Date: 4/6/26

NONCOLLUSION DECLARATION

TO BE EXECUTED BY EACH SUBCONTRACTOR

AND SUBMITTED PRIOR TO CONTRACT AWARD

The undersigned declares:

I am the PRESIDENT of KNC CONSTRUCTION, INC., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or of any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusion or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 04-14-2026 [date], at APPLE VALLEY [city], CALIFORNIA [state].

ORTCOINC

Signed: *Malia Caminiti*

Title: PRESIDENT

**Regulation for In-Use Off-Road Diesel Fueled Fleets
Affirmation of Renewable Diesel Use Compliance**

MSCD/MSRDB-236 (New 09/2024) Page 1 of 3

This form is provided for the reporting of renewable diesel use for fleets subject to the In-Use Off-Road Diesel-Fueled Fleets Regulation. Instructions on how to submit this form and definitions are provided on pages 2-3.

Part I: Fleet Information

Check the box to confirm if you are authorized to submit this form then complete your information below. I am the:	Annual Reporting Year
<input checked="" type="checkbox"/> Responsible Official OR <input type="checkbox"/> Designated Official	2025

DOORS Fleet ID Number: 262081	Company/Agency Name: KNC CONSTRUCTION, INC
Name: Malia Caminiti	Job Title: president
Telephone Number: (760) 552-4999	Email Address: malia@kncinc.net

Part II: Renewable Diesel Requirements

Check this box to indicate that you are compliant with the renewable diesel requirement of this regulation through the procurement and use of R99 or R100 renewable diesel fuel and that you are retaining documents that demonstrate your compliance.

Check this box if you are a rental fleet, which must include language in all rental contracts that the recipient of the rented vehicle must comply with the renewable diesel requirements of this regulation.

AND / OR

If you are using an exemption, as defined by Cal. Code Regs., Title 13 § 2449.1 subd. (f)(2), (f)(3), and instructions. Check the appropriate box(es) below.

Exemptions - If Applicable (See instructions for details)

Section 2449.1(f)(2)(A) Captive Attainment Area	Section 2449.1(f)(2)(B) Clean Technology Fleet
Section 2449.1(f)(2)(B) Unavailability of renewable diesel	Section 2449.1(f)(2)(C)-(D) Cold-Temperature Operations

Part III: Signature

By signing below, I, the Responsible Official or Designated Official, affirm and certify under penalty of perjury, under the laws of the State of California, that I have used all reasonable diligence in preparing this report, and that I have reviewed this report and the information reported on this form for the off-road fleet indicated above is true, accurate, and complete to the best of my knowledge. By signing below, I agree that I understand that the requirements that must be met in order for this affirmation to be valid are described in California Code of Regulations, title 13, section 2449, subdivisions (g)(2)(D), (h)(10), section 2449.1, subdivision (f), and that these requirements are met. By signing below, I further certify that I have the authority to make this affirmation and certification on behalf of the off-road fleet indicated above.

- The Early Credit FAQ provides an explanation of the early credits (which are credits 2449.1(b)13 - 18), and shows example calculations.

If you have questions about this page, please contact ARB at doors@arb.ca.gov or call 1(877) 59-DOORS.

Q5: Is the agency willing to open the project to A builders as well?

A5: The inclusion of the restroom remodel excludes class A contractors from bidding as prime due to the restroom being a standalone functional facility and not considered an incidental or minor portion of the work.

- a. ~~Material: Galvanized Steel~~
 - b. ~~Thickness: 1/8"~~
 - c. ~~Finish: Powder Coated~~
 - d. ~~Color: To be chosen by the customer and approved before production.~~
 - 2. ~~Horse Shapes and Letters:-~~
 - a. ~~Material: Galvanized Steel~~
 - b. ~~Thickness: 1/4"~~
 - c. ~~Method: Laser Cut~~
 - 1) ~~Attachment: Welded onto the main body as per provided drawing.~~
- G. ~~Structural Requirements:-~~
- 1. ~~Welding:-~~
 - a. ~~All horse shapes and letters shall be welded onto the main structure following the provided drawings.~~
 - b. ~~Letters must be welded with spacing off the main body as per the drawing to create a three-dimensional effect.~~
 - 2. ~~Anchoring:-~~
 - a. ~~Concrete Wall Side:-~~
 - 1) ~~Secure with provided stainless steel anchors (3/4" stainless steel anchor, 6" length, secured in by epoxy).~~
 - 2) ~~Anchors shall be installed according to manufacturer specifications to ensure maximum load-bearing capacity.~~
 - b. ~~Concrete Ground:-~~
 - 1) ~~Anchoring shall be done using provided stainless steel anchors and additional concrete supports as shown in the drawing. (3/4" stainless steel anchor, 6" length, secured in by epoxy)~~
 - 2) ~~Installation of anchors should follow the guidelines provided in the drawings and ensure that the structure is securely fastened.~~
- D. ~~Fabrication Requirements:-~~
- 1. ~~Laser Cutting:-~~

All horse shapes and letters shall be precision laser cut from 6 mm galvanized steel sheets to ensure clean edges and uniform shapes as per the provided design.
 - 2. ~~Powder Coating:-~~

The entire structure, including horse shapes and letters, shall be sandblasted, and polyester powder coated. The powder coating shall be applied as per the customer's color choice and approved samples. It should provide high corrosion resistance and durability suitable for outdoor conditions.
- E. ~~Installation:-~~
- 1. ~~The entry portal structure shall be assembled and welded in the workshop to ensure accuracy in alignment and attachment of the horse shapes and letters.~~
 - 2. ~~On-site installation will involve securing the structure to a concrete wall using stainless steel anchors and to concrete blocks as per the drawing.~~
 - 3. ~~Care must be taken to ensure that all components are installed plumb, level, and square.~~
- F. ~~Quality Control:-~~
- 1. ~~The structure shall undergo a thorough inspection to ensure all welds are consistent and meet the strength requirements.~~
 - 2. ~~The powder coating finish shall be inspected for uniformity, color consistency, and absence of defects.~~
 - 3. ~~All anchor points and connections shall be tested for stability and security.~~
- G. ~~Approval:-~~
- 1. ~~A final shop drawing must be provided to the customer for approval before fabrication.~~
 - 2. ~~Color samples for powder coating must be submitted for customer approval before coating.~~

- c. All fasteners and hardware used in the installation shall be stainless steel or aluminum to prevent corrosion.
- F. Quality Control:
 1. Inspection:

All installed fences and gates shall be inspected for structural integrity, alignment, finish, and secure installation. Any defects or damages must be repaired or replaced as per the manufacturer's warranty guidelines.
 2. Approval:

Samples of the aluminum panels, posts, and gate hardware must be submitted for customer approval prior to fabrication.
- G. Warranty:
 1. The fence and gate system shall come with a minimum manufacturer's warranty of 10 years against defects in materials and workmanship.

2.04 METAL SHADE STRUCTURE

- A. General Description
 1. The metal shade structure shall be constructed with galvanized steel tubular posts and a metal roof system. The shade structure is designed to provide protection from the sun and weather elements in outdoor spaces such as parks, playgrounds, and commercial areas.
- B. Structural Components
 1. Posts:
 - a. Material: Galvanized steel
 - b. Size: 6" x 6" square tubular posts
 - c. Thickness: 0.25 inches (1/4 inch) wall thickness
 - d. Finish: Hot-dip galvanized to ASTM A123 standards
 - e. Height: 10 feet above grade (adjustable based on site requirements)
 - f. Base Plate: 10" x 10" x 1/2" steel base plate welded to the post, pre-drilled for anchor bolts
 2. Roof Frame:
 - a. Material: Galvanized steel
 - b. Configuration: Rectangular or square perimeter frame, with cross members for support
 - c. Size of Members: 4" x 4" square tubular beams with 0.25 inches (1/4 inch) wall thickness
 - d. Finish: Hot-dip galvanized to ASTM A123 standards
 3. Roof Panels:
 - a. Material: Galvanized or coated steel panels
 - b. Type: Corrugated or standing seam metal roof panels
 - c. Thickness: 24-gauge steel
 - d. Coating: Galvalume or powder-coated finish in standard or custom colors
 - e. Pitch: Minimum 3:12 roof pitch for water runoff
 - f. Panel Fasteners: Stainless steel screws with neoprene washers, color-matched to roof panels
 4. Anchoring System:
 - a. Type: Heavy-duty concrete anchors or anchor bolts
 - b. Diameter: 3/4 inch
 - c. Length: Minimum 8 inches
 - d. Material: Zinc-plated or stainless steel
- C. Design and Load Requirements
 1. Wind Load:
 - a. Structure designed to withstand a wind load of up to 90 mph or higher (as per local building codes).
 2. Snow Load:

- A. General Description:
 - 1. Product Type: Cantilever Shade Canopy
 - 2. Dimensions: 14 ft x 14 ft (4.27 m x 4.27 m)
 - 3. Coverage Area: 196 sq. ft. (18.2 m²)
 - 4. Use: Commercial-grade outdoor shade structure
- B. Structure Material:
 - 1. Frame Material: Commercial grade galvanized steel
 - a. Grade: ASTM A123 or equivalent
 - b. Finish: Hot-dip galvanized, powder-coated finish for enhanced corrosion resistance
 - 2. Column Size: 6" x 6" (152 mm x 152 mm) square tubular steel or equivalent
 - 3. Crossbeam Size: 4" x 8" (102 mm x 203 mm) rectangular tubular steel or equivalent
 - 4. Base Plate: 12" x 12" (305 mm x 305 mm) steel plate with pre-drilled holes for anchor bolts
- C. Fabric Shade:
 - 1. Material: High-Density Polyethylene (HDPE) fabric or equivalent UV-stabilized material
 - 2. Fabric Weight: 8 oz/sq. yd. (270 gsm)
 - 3. UV Protection: Up to 50 to 95% UV block
 - 4. Color: Available in various colors (customizable)
 - 5. Warranty: 10-year warranty against UV degradation
- D. Design Specifications:
 - 1. Wind Load Capacity: Designed to withstand up to 90 mph (145 km/h) wind speed
 - 2. Snow Load Capacity: 20 psf (96 kg/m²)
 - 3. Shade Shape: Square, single-post cantilever design for unobstructed shading
 - 4. Tilt: Adjustable angle tilt option (0°-15°) for optimal shade coverage
- E. Anchoring and Installation:
 - 1. Anchor Type: Heavy-duty anchor bolts or cast-in-place J-bolts (specified as per site conditions)
 - 2. Footing Depth: Minimum 3 ft. (90 m) depth, 2 ft. (0.61 m) width (concrete foundation required)
 - 3. Installation Method: Bolt-together assembly with welding required for the crossbeam-column connection
- F. Coating and Corrosion Protection:
 - 1. Galvanization: Hot-dip galvanizing inside and out to ASTM A123 standards
 - 2. Powder Coating: Optional polyester powder coating available in various RAL colors (for additional corrosion resistance and aesthetics)
- G. Hardware and Accessories:
 - 1. Bolts and Fasteners: Stainless steel or galvanized, conforming to ASTM A307 standards
 - 2. Drainage: Integrated drainage holes in canopy design to prevent water pooling
- H. Compliance and Standards:
 - 1. Standards: Designed and manufactured in compliance with ASCE 7-16 (Minimum Design Loads for Buildings and Other Structures)
 - 2. Fire Retardancy: Meets NFPA 701 fire retardancy standards for fabric materials
- I. Maintenance and Care:
 - 1. Cleaning: Use mild soap and water; avoid abrasive cleaners
 - 2. Inspection: Annual inspection of the structure, anchors, and fabric for wear and tear
 - 3. Replacement Parts: Available upon request; fabric can be replaced as needed

2.06 SPRAYGROUND CIRCULATION PUMP

- A. 'Pentair' EQK750 7.5 3PH pump, 460V with accudrive variable frequency drive; self-priming pump; 3,450 RPM; rated at 400 GPM at 60 ft. TDH; with integral strainer, pump to be programmed with flow rate of 175 GPM. One (1) total.

- A. Inspection:
 1. Prior to installing the items of this Section, carefully inspect the installed Work of other trades and verify that all such Work is complete to the point where this installation may properly commence.
 2. Verify that the sprayground equipment items may be installed in strict accordance with original design, pertinent codes and regulations, and the manufacturers' recommendations.
- B. Discrepancies:
 1. In the event of discrepancy, immediately notify the Owner.
 2. Do not proceed with installation in areas of discrepancy until all such discrepancies are fully resolved.
 3. Failure to notify the Owner and give written notice of discrepancies shall constitute acceptance by the Installer of existing conditions as fit and proper to receive its Work.

3.02 INSTALLATION

- A. Supply and install items of sprayground equipment in strict accordance with applicable codes and regulations, the original design, and the manufacturer's published recommendations, anchoring firmly and securely for long life under hard use.
- B. Coordinate with other trades to insure all imbedded items are set plumb and flush. Railing ends must have anchor sockets and escutcheon plates. Be certain that deck equipment and railings are properly bonded prior to imbedding.
- C. All mechanical equipment shall be braced and/or anchored to resist horizontal force acting in any direction using the criteria shown on the Drawings.

3.03 EQUIPMENT ACTIVATION

- A. Start Up:
 1. Retain a qualified chemistry consultant, familiar with the operation and maintenance of aquatic facilities, to supervise and properly balance the sprayground water chemistry.
 2. Demonstrate to the Owner's Representative and to all appropriate officials (including State of California) that all systems are fully operational and that calcium hardness, total alkalinity, chlorine residual and pH levels are within the specified limits.
 3. Standards: Contractor shall furnish labor and chemicals as required to condition the water properly to the following specifications:
 - a. Calcium Hardness: 150-300 ppm
 - b. Total Alkalinity: 100-125 ppm
 - c. Chlorine residual: 2.0-5.0 ppm
 - d. pH 7.4-7.6
- B. All water chemistry and filtration mechanical equipment shall be operational upon filling of the balance tank. Chemicals and other related support items as supplied by the Contractor, shall be in supply at start-up.
- C. Start up and provide qualified personnel to operate the sprayground mechanical equipment for a period not less than fourteen (14) days after the sprayground systems are placed in operation, or until the Owner takes occupancy of the facility or letter of substantial completion. During this time, Contractor shall instruct and supervise the Owner's personnel in the various operating and maintenance techniques involved. Contractor shall insure that the sprayground filtration equipment is continuously running during the initial fourteen (14) day period. Contractor shall be responsible for supply of chemicals during this not less than fourteen (14) day period and at the time of turnover to Owner, chemical storage tanks shall be full. Owner's personnel shall be fully trained and capable of assuming sprayground maintenance tasks; training may begin prior to Owner taking occupancy.

MERCHANTS BONDING COMPANY™ POWER OF ATTORNEY

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, and MERCHANTS NATIONAL INDEMNITY COMPANY, an assumed name of Merchants National Bonding, Inc., (herein collectively called the "Companies") do hereby make, constitute and appoint, individually, **Andrew J. Waterbury**

Surety Bond #: Bid Bond
Principal: KNC Construction, Inc.
Obligee: San Bernardino County

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the By-Laws adopted by the Board of Directors of the Companies.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner - Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 16th day of March, 2026.

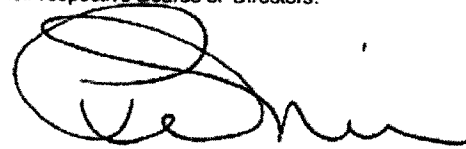

MERCHANTS BONDING COMPANY (MUTUAL)
MERCHANTS NATIONAL BONDING, INC.
MERCHANTS NATIONAL INDEMNITY COMPANY

By 
President

STATE OF IOWA
COUNTY OF DALLAS ss.

On this 16th day of March, 2026, before me appeared Larry Taylor, to me personally known, who being by me duly sworn did say that he is President of MERCHANTS BONDING COMPANY (MUTUAL), MERCHANTS NATIONAL BONDING, INC., and MERCHANTS NATIONAL INDEMNITY COMPANY; and that the seals affixed to the foregoing instrument are the Corporate Seals of the Companies; and that the said instrument was signed and sealed in behalf of the Companies by authority of their respective Boards of Directors.

Notary Public

(Expiration of notary's commission does not invalidate this instrument)

I, Elisabeth Sandersfeld, Secretary of MERCHANTS BONDING COMPANY (MUTUAL), MERCHANTS NATIONAL BONDING, INC., and MERCHANTS NATIONAL INDEMNITY COMPANY do hereby certify that the above and foregoing is a true and correct copy of the POWER-OF-ATTORNEY executed by said Companies, which is still in full force and effect and has not been amended or revoked.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the Companies on this 16th day of March, 2026.

Secretary
